A copy of "How to grow Good Glads" as adapted by the American Gladiolus Society, will be given with each purchase of bulbs.

TERMS. The prices given include delivery to purchaser anywhere within the United States per Parcel Post or Express. Please do not ask us to fill an order for less than \$1.00.

New and interesting varieties have been added to our large collection this season, and an added attraction will be our own seedlings. Of these there will be about 1,000 that will bloom for the first time this season, no two will be alike.

By far the most satisfactory way to select your wants is to visit our garden when the Glads are in bloom. This will be from August 10th until frost.

We guarantee you will be pleased with all bulbs bought of us. Should any come untrue to name we will gladly replace them free of charge.

A cordial invitation is extended to you to visit our garden at anytime, whether you buy bulbs or blooms or not.

Yours for more and better Glads.
